Music Mix and Registration form is due by: May 22nd, 2020.

No changes or edits accepted beyond this time period. A five point deduction will apply to each day that passes after the due date for late music to the total score on the actual event day.

Management will inform schools once the track is received if changes are necessary. Schools will only have 48 hours to make the requested changes from the time email is sent. If these changes are not made within the timeframe, schools risk disqualification from competing in the event. If unsure, please contact event management prior to the deadline.
